

# Bringing Richness to Health

# ABOUT US

We at **Richberg Healthcare** hold ourselves to a higher standard and believe that service to humanity should take precedence over other goal sets. We have consistently fostered a culture of advancement with a focus to meet the intensifying healthcare needs of society.

The company is envisioned to achieve its mission due to the talented and dedicated Workforce, Quality and State-of-the-art manufacturing facilities. Our team of highly qualified members creates long-term strategies which help us identify and meet the unmet medical needs.

The company has collaborated with multiple manufacturing units in India, manufacturing dosage forms that include tablets, sublingual, chewable tablets, capsules, dry syrup, liquids, granules, injectables, ointments, creams, and gels in various therapeutic segments. Our products have proved to be efficient and effective in manifold segments that include Cardiovascular, Gastro-Intestinal, Anti-Infective, Anti-Inflammatory, Anti-Asthmatics, Anti-Allergic, Multi-Vitamins, Anti-Diabetics, and Pain Management solutions and OTC segments.

## VISION

To become the trusted health care partner

## MISSION

To improve people's lives with our high-quality health care products

# OUR VALUES

## **Consistency**

We ensure that our client's expectations are consistently met.

## **Integrity**

Our business stands on the pillar of integrity and honesty.

## **Transparency**

We believe in complete transparency with investors, suppliers, and customers.

## **Efficiency**

We focus on achieving a high level of efficiency in all processes and systems.

# QUALITY CONTROL

At **Richberg Healthcare**, quality is the way of life. It is an encompassing culture that is the foundation of all business decisions.

Quality steps in right from the beginning of product development to product delivery. We completely ensure that the manufacturing of the entire drug product is carried out at the manufacturing sites with standards of good manufacturing practice (GMP). We collaborated with world-class quality control laboratories, equipped to carry out all analysis in-house.

# MANUFACTURING FACILITY

## Third-Party Manufacturing

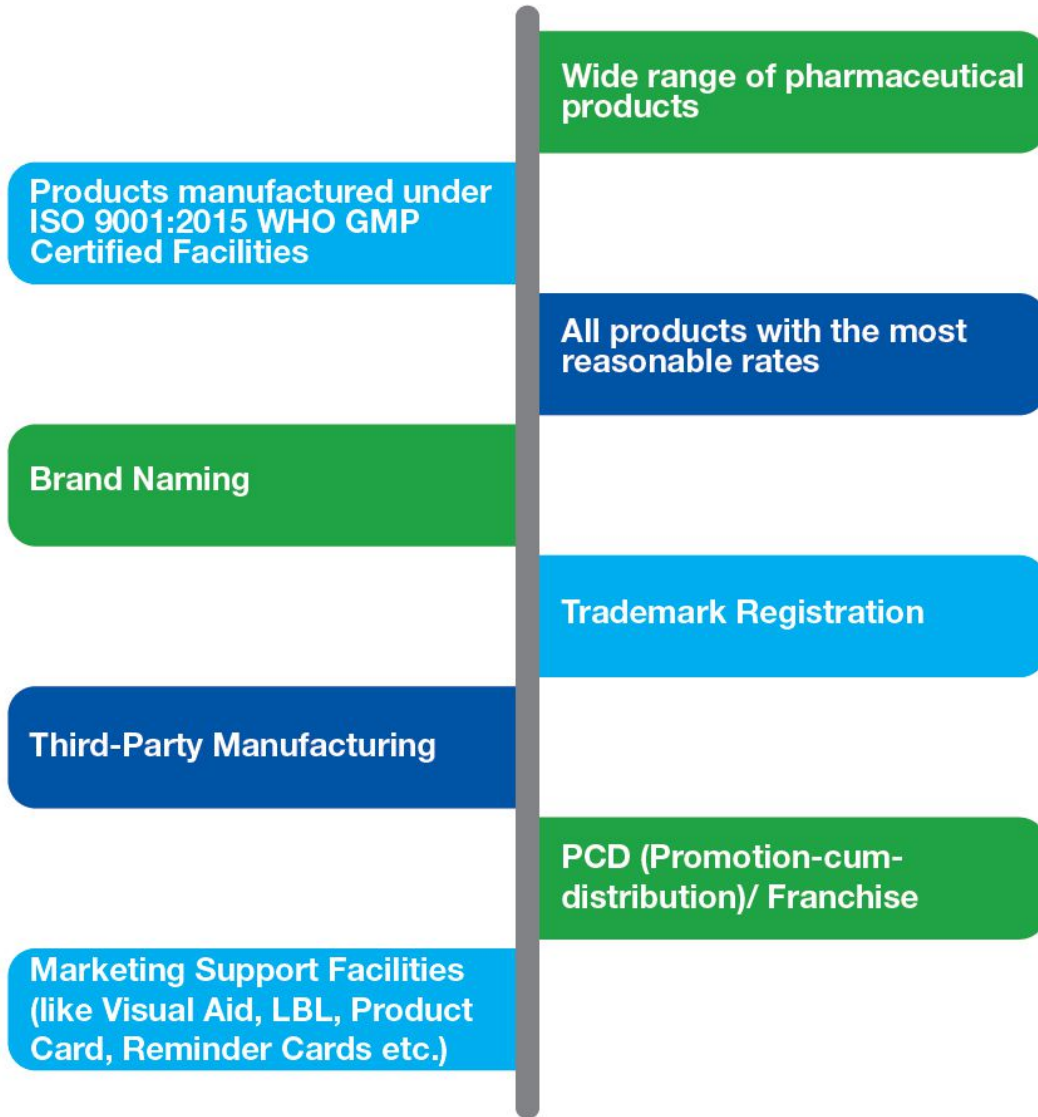

We collaborated with various reputed WHO GMP Certified Manufacturing Units, who help us for the provision of over 1000s of high-quality pharmaceutical products which cover all the therapy segments to our clients with the best product packaging in the industry.

# PCD FRANCHISE ON DEMAND

We offer **100% monopoly rights** to our franchisees all over the country.

We offer all pharmaceutical facilities to our franchisee under one roof
